Green Island Union Free School District

APPR Material Change Proposal:

All teachers in grades K-12 will be rated on a District Wide SLO which is calculated as follows:

60 % A - Grades K-10 IXL Math and ELA
40% B - Regents (Earth Science, Algebra I and ELA)

A – All students will achieve the following percentage of growth for the following years:
2023-24 50% of Individual Projected Growth on IXL Reading
2023-24 50% of Individual Projected Growth on IXL Math

Growth will be determined by Beginning of Year snapshot and Middle of Year snapshot creating a total growth percentage. This will engage students who came in prior to middle of the year count if they make growth between MOY and EOY snapshots along with the traditional BOY and EOY snapshot.

$$\frac{\text{BOYG+MOYG}}{\text{Total tested}} = \text{Growth Percentage}$$

B - All students, except those students with disabilities eligible for the Safety Net, will reach proficiency (65) on the following Regents Exams, student eligible for the safety net will count as proficient:

Earth Science, Algebra I Regents and ELA
